

Terms & Conditions

It is the centres policy that members of staff, volunteers and participants maintain a high standard of behaviour and safety. Calm and considerate behaviour is as important as safely rules and insurance policies.

- We employ qualified and experienced staff.
- We provide a range of personal protective and safety equipment for participants comfort and safety.
- We teach to national governing body recommendations and guidelines at all times.
- We have robust management and safety systems, which are regularly, inspected by the approved National Governing Bodies, Adventure Activities licensing Authority and, Royal Yachting Association.
- To ensure safety of members we reserve the right to modify or cancel any activity, we feel that there are unmanageable risks.

Personal Safety

1. All participants in any Watersports activity must wear a buoyancy aid, unless you are taking part in open water swimming. It is centre policy that anyone taking part in any sailing or windsurfing activity must wear suitable footwear (pumps/soft shoes or wet boots) on the water. We recommend wearing footwear around the centre too. T-shirt and shorts are suitable for warmer weather. Tracksuit and/or windproof clothing is more suitable for colder weather.

2.Helmets

All junior members must wear protective headgear at all times for windsurfing & sailing and in some weather conditions rafted canoe sessions. Adult members may be requested to wear protective headgear in certain weather conditions for their own safety and failure to comply will result in cancellation of their session.

3.Wet suits

The centre has a number of wet suits in assorted sizes for customers use for windsurfing, sailing and stand up paddleboard tuition. We hire them at £5 each person for other activities.

4.Health & Fitness

Anyone taking part will be asked to sign a membership form on behalf of themselves/group/family/school stating that they can swim and if they have any medical problems.

5.Equipment

The centre will provide safety equipment as necessary for each activity and will be kept in good repair. Centre staff will inspect all equipment at regular intervals and approve for use or take equipment out of service until made safe. Where a customer wishes to use his/her own equipment in activities under the centre auspices that equipment will be subject to inspection before the centre allows in its use.
